

## **ADMINISTRATOR III**

### **New Hampshire Public Utilities Commission Telecommunications Division**

**The New Hampshire Public Utilities Commission, Telecommunications Division, has an immediate opening for a full-time Assistant Director.** The successful candidate should be an independent, motivated individual. Job assignments include directing and developing staff on all aspects of telecommunications regulation and performing comprehensive research and analysis of utility related materials in order to make recommendations concerning public utility policies, rates and strategic plans. **Minimum Qualifications:** Master's degree in economics, finance, accounting, business, or engineering and seven years of experience in the field of utility regulation, four years of which must have been in a management level position involving administrative or supervisory duties concerned with program administration, program planning and evaluation, business management or related management experience. Each additional year of approved work experience may be substituted for one year of required formal education at the graduate level only. Preference will be given to candidates with experience in applying economics to telecommunications or regulatory issues.

The salary range for this position is \$52,065.00 to \$72,072.00 with a maximum starting salary of \$62,712.00. Please visit our website for more information on the Public Utilities Commission and this position and an application for employment, <http://www.puc.nh.gov>.

The Commission offers a friendly work environment and an attractive benefits package. Please return the completed application referencing position #14358 to Kelly Logan, Business Office, Public Utilities Commission, 21 S. Fruit St., Suite 10, Concord, New Hampshire, 03301, (603) 271-6008 on or before June 1, 2007.
